HONDA

CD 110 Dream DELUXE

Kamaal per litre

Here is a ride that is full of wonders.

Presenting the new **CD 110 Dream Deluxe.**

Experience great power and ride quality that comes from its improved 110cc engine with eSP Technology. Together, they ensure higher power and torque output without compromising on its superb mileage. Among its other wonders are the new-age style quotient and safety features that are sure to elevate your overall riding experience.

wonderful technology

eSP ENHANCED SMART POWER

110cc BS-VI Engine with eSP Technology

Better than ever, the latest innovation in the engine not just delivers unmatched performance but also makes it environment-friendly. It comes with Honda's Enhanced Smart Power (eSP) technology that maximises performance and fuel efficiency by reducing friction and it's BS-VI OBD2 compliant engine keeps emission in check. The ACG Starter integrated with eSP technology starts the engine silently, making you admire its wonderful riding experience.

Tubeless Tyre

Go the extra mile with tubeless tyre.

Silent Start with ACG

Making every start a smooth, silent start is Honda's unique ACG starter motor. It removes gear meshing noise and helps start the engine without a jolt.

CD 110

amazing style

Stylish Graphics

Attractive tank and side cover graphics lift the overall style quotient.

DC Headlamp

Its powerful and bright beam of light gives steady illumination, irrespective of speed and riding conditions.

Impressive Chrome Muffler Cover

Enhances the style and looks of the motorcycle.

Graceful Silver Alloy Wheels

Designed to leave a style statement per revolution.

CD110 great comfort

CBS with Equalizer

The Equalizer Technology in Combi Brake System always puts you in control. It distributes the optimal braking force between front and rear wheels, ensuring shorter braking distance with rock-solid balance.

Integrated Engine Start/Stop Switch

Start and stop the bike with a flick of a switch. It can't get easier than this.

Seal Chain

Low on maintenance. High on durability. It sets you free from any unpleasant surprises.

Side Stand Engine Cut Off

Shuts the engine when vehicle is in gear and side stand is engaged.

MF Battery and Viscous Filter

With less maintenance required for MF Battery and Viscous Filter, you can always ride relaxed.

3 + 7 Years Warranty Package

Complete peace of mind with 10 years warranty package, Comprising 3 years standard and 7 years optional service warranty.

Longer and Comfortable Seat

Good road. Bad road. Short trips. Long trips. Whatever. It makes every ride comfortable for the rider and the pillion.
